Gentlemen,

In accordance with 0.459 of CFR 47, DeTeWe Systems GmbH, hereby requests confidentiality of all Block Diagrams, Schematics, Parts Lists, Operational Descriptions attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which DeTeWe Systems GmbH, considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, DeTeWe Systems GmbH, considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
